RE: **YOU ARE INVITED**

DATE: August 10, 2006

On August 18, 2006, the Montana Board of Housing will hold their Board meeting in Lolo. This meeting will be held at the Farmers State Bank, 11000 US Hwy 93 S, Lolo, Montana, beginning at 8:30 A.M. At the beginning of the Board meeting, a general discussion session on various Board programs is held. At this time, the Board also likes to hear from local community leaders such as you as to what is happening in the local community and how housing is being impacted. The input of local leaders has been critical in the development of several new programs over the years by the Board of Housing. Listed below are single-family homes assisted in your area using Montana Board of Housing programs since its inception in 1977.

Lake County	586	Homes for	\$36,131,000

My purpose in writing is to invite you to attend this meeting of the Board of Housing and, if you would like, to address the Board briefly about local happenings and housing related issues. I hope to see you there. We welcome your questions and comments about the Board, its programs, and the housing needs of the area that may or may not currently be served by the Board. Please call Diana Hall at 406-841-2840 or email at dihall@mt.gov if you have any questions.
